Special Committee Report.

Senator Blackert sent up the following special committee report:

Senate Chamber,

Austin, Texas, Sept. 27, 1933.

Hon. Edgar E. Witt, President of the Senate.

Sir: We, your Committee, appointed to investigate the ravages of the storm to the sea wall and port of Aransas Pass, San Patricio County, beg to report back to the Senate the following facts: The storm damaged the material structure of the sea wall and the barricades of the port necessitating immediate reconstruction, by reason of the fact that a visitation of a storm of similar intensity would result in the complete destruction of this city and probably loss of lives.

This condition created a grave emergency and necessitated prompt and immediate action and the committee is happy to inform the Senate that we have tentatively secured a loan from the Federal Emergency Administration of Public Works for a sum sufficient to make the necessary repairs.

Since the State of Texas has already remitted the ad valorem taxes of San Patricio County to the City of Aransas Pass for the purpose of the construction of their sea wall and port we do not feel that it is necessary at this time to ask the further indulgence of expenditure of State funds. However, in view of the fact that the State has shown it is vitally interested in this port by the remission of State taxes in order that the port might be developed, we feel obliged to call the attention of the United States Senators of this State to the fact that we found upon investigation that this channel is gradually filling up, and we respectfully request that this channel be deepened so that fishing vessels may continue their trade.

Respectfully submitted,

**BLACKERT,
DUGGAN,
REDDITT.**

A BILL

To Be Entitled

An Act authorizing and directing the governing boards of the several State supported institutions of collegiate rank to except and exempt from the payment of all fees, dues and charges, except for lodging, board and clothing, all citizens of Texas who have resided in Texas for a period of not less than twelve (12) months prior to the date of registration, and who served as nurses of or as members in the armed forces of the United States during the Spanish-American and/or the World Wars, providing for the issuance, granting and reinstatement of scholarships, exempting certain graduates of accredited high schools of this State from the payment of entrance and other fees; and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. The governing boards of the several institutions of collegiate rank, supported in whole or in part by public funds appropriated from the State Treasury, are hereby authorized and directed to except and exempt all citizens of Texas, who have resided in Texas for a period of not less than twelve (12) months prior to the date of registration, and who served during the Spanish-American and/or during the World War as nurses or in the armed forces of the United States during the World War, and who are honorably discharged therefrom, from the payment of all dues, fees and

charges whatsoever, including fees for correspondence courses; provided, however, that the foregoing exemption shall not be construed to apply to deposits, such as library, or laboratory deposits, which may be required in the nature of a security for the return of or proper care of property loaned for the use of students, nor to any fees or charges for lodging, board or clothing. The governing boards of said institutions may and it shall be their duty to require every applicant claiming the benefit of the above exemption to submit satisfactory evidence that the applicant is a citizen of Texas and is otherwise entitled to said exemption.

Sec. 2. The governing boards of said institutions of collegiate rank are hereby authorized to issue scholarships each year to the highest ranking graduate of accredited high schools of this State, exempting said graduates from the payment of all dues, fees and charges whatsoever; provided, however, that said exemptions shall not apply to library or laboratory or similar deposits, nor to fees or charges for lodging, board or clothing. Such exemptions shall be granted subject to such limitations and restrictions as may be prescribed by the governing board of each of said institutions, and the governing boards of said institutions are hereby authorized to reinstate such scholarships as have heretofore been granted where the same would have been authorized under the provisions of this Act.

Sec. 3. The fact that recent legislation governing the fees and charges to be imposed by State supported institutions of higher education failed to express the exemption herein allowed when it was the intention of the Legislature that said exemption should not be repealed, and the fact that said institutions are now about to begin their sessions creates an emergency and an imperative public necessity requiring that the constitutional rule that bills be read on three several days in each House be suspended, and the same is hereby suspended and that this Act shall take effect and be in force from and after its passage, and it is so enacted.

Committee Room,
Austin, Texas, Sept. 27, 1933.
Hon. Edgar E. Witt, President of the
Senate.

Sir: We, your Committee on State
Affairs, to whom was referred
